About This Game

DON'T GIVE UP is the comedic story of Tris, a cynical asocial game developer living in the town of Threeson who's more concerned with flirting than figuring out where he's next meal is coming from. You'll balance the hilarious tragedy that is your social life while facing off with the phantoms of your inner conscious and a mysterious cast of characters.

This game takes place 4 years after the events of Tris's mental breakdown as his inner demons seek once again to consume his mind and unleash a plague of apathy and despair.
